I AM JULIA PRITCHARD

Experienced Teaching Assistant with a proven track record of success. I am well motivated, honest and hardworking. I have spent the last 5 years supporting children & their families through the early stages of their education. I am a HLTA, NVQ level 3 qualified teaching assistant and have a CACHE level 3 diploma in Support work in Schools (Parent Support). I am first aid trained a paediatric first aider and have successfully completed Awareness of Child Abuse and Neglect – Core V5. As well as these recognised qualifications I have attended many training courses, some of which include; Making and Using observations, Makaton, Communication, speech and language, Fine & Gross motor skills, Safe Guarding. I believe I am becoming a true expert in my profession and can adapt my skills effectively to suite each child's individual need.

DOB: 15/04/1978 – 40 Years

RESUME

Education

1989 - 1998

Brunel College Bristol – NVQ level 3 Diploma in Hairdressing

2008-current

OLVESTON CV OF E PRIMARY SCHOOL

2008 I worked voluntarily, five mornings a week in a year two setting supporting groups of children within the classroom whilst completing the Level 3 Teaching Assistant course at Filton College.

Once this course had been completed I was offered a job at the school on a full time basis. I supported children as a TA in reception & year 1 working both within the classroom and taking groups of children for additional support which included numeracy, Literacy, Speech and Language, Social support, fine and gross motor skills.

2008-2009

I began supporting a child with a statement who had several barriers to learning which included Speech & language, Gross and Fine Motor skills, Global Delay.

2009-2012

I supported a child on a statement who had more complex needs, Speech and language, Positive Communication and Interaction, Social and Emotional, Fine & Gross motor support, Behaviour Management and Personal Development and Hygiene.

2010

I became school Parent Link mentor and Play Leader.

2012-2014

I supported children from all year groups within the classroom and out of class group support. This support included Numeracy, Literacy, Phonics, communication & Language support, Social & Emotional support, fine motor skills, 'Catch Up' sessions and Pupil Mentor.

Fine and Gross motor skills
Making and Using
Observations
Makaton
Parent Support
Promoting Positive Behaviour

Hobbies & Interest

I love to spend time with my husband and three children, playing games, fun days out, camping, skiing and enjoying city breaks. Socialising with friends and family is also very important to me, getting together at weekends for barbecues or to have a meal. Keeping fit at aerobic classes, cycling, playing tennis and running are also activities I enjoy.
